**Certificate concerning Regulation (EC) 1400/2002
Block Exemption Regulation (BER)**

Our products are generally at least spare parts of matching quality in terms of the block exemption regulation (EC) 1400/2002 Article 1(1) (t) or (u) as well as Article 4(1) (k). They thus conform to the requirements for the repairer's use within the scope of repair and maintenance.
